To Whom It May Concern:

In my many years of recruiting, screening and hiring people, both in the staffing industry as well as on the corporate side, I have worked with many background investigation companies. I have known and worked with Dave Hertog of Hertog and Associates Inc. for over 5 years now and have learned that he can be clearly trusted above all others to get the job done quickly and with a personal touch.

We are in an industry that must fill client openings with the right person sometimes in a matter of hours. Careful screening is imperative in our business. Dave handles our criminal background checking for us and has always provided the personal touch with direct feedback when negative information pops up. His fast and dependably accurate service has always met or surpassed our expectations and Dave continuously reconfirms my faith in him. His company is my only choice for background investigation. I am a truly satisfied customer.

Sincerely,
