Subject: David Hertog (HERTOG & ASSOCIATES)

It is my pleasure to write a letter of reference for David (Dave) Hertog. I have known Dave since we met at a Washington DC, Government-Industry Conference on Terrorism in the Spring of 1995. Over the past two years, Dave's business relationship with HARPO STUDIOS, INC. has grown to a point where he was recently retained to provide specific project management, consulting and other related services. As of this writing, Dave is currently an active resource which we will utilize on an as needed basis.

Dave's attitude, background, education, experience, know how and personality made him a match for our protective operation. He is a sharp, intelligent young man. Dave has a strong work ethic and high energy level. He is discreet and keeps himself in excellent physical condition.

My assessment is that Dave Hertog is (highly) motivated and ethical in whatever he does. This is true at HARPO STUDIOS, INC. and I give him a strong endorsement and recommendation.

Sincerely,

Robert Graves
