Dear Dave;

I just wanted to drop you a note to thank you for your efforts in providing services in the criminal background checks to American NTN Bearing Manufacturing Corporation.

Over the past year we have asked you to provide us with many extra and expedited requests, and you have always met those requests exceeding our company's expectations. I also would like to thank you for taking the time to come out to our facility and educate my staff on your company's services and the issues of criminal background investigation.

We at ANBM appreciate the thorough checking you do in helping us in our process of hiring qualified employees. Your constant attention to detail and your professionalism is invaluable to us.

Sincerely,
